Special Effect Splashbacks

Blue Flash

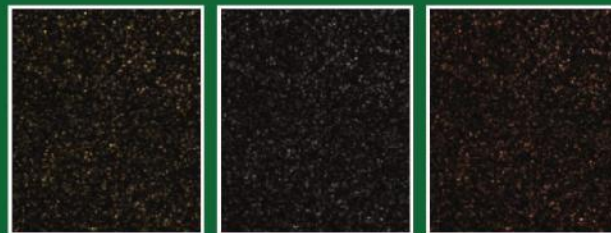

Red Flash

Green Flash

flash effect finishes

Our flash effect gives a shimmer to the surface similar to a pearlescent effect.

These effects are available in a range of colours, Red, Blue, Green and Vibrant Gold and are ideal when used with a black background.

Gold Quartz

Silver Quartz

Brown Quartz

quartz effect finishes

Our special Quartz effect gives an extra dimension to our painted glass and is ideal for glass worktops. The quartz effect gives a granite effect to the paint surface and is recommended to be used with black or dark colours. The quartz effect is available in 3 stunning colours...Gold, Silver or Bronze.
